

Unreal is a six-year-old black stallion owned by the Terry Dotson Family of Prestonsburg, Kentucky.

This horse has been a champion since he first stepped into the ring. After overcoming much adversity he started off his first show season winning the 2000 Amateur Three Year Old World Grand Championship and Reserve World Grand Championship titles. The next year Unreal was moved to Ailshie Stables where he won the 2001 Four Year Old World Grand Championship title. But these prestigious titles were not enough for this horse. The best was yet to come.

In 2022, Unreal started off the show season winning the Spring Celebration Grand Championship, the Kentucky State Grand Championship and the Shelbyville Classic Grand Championship. With three titles under his belt, there was one show left, the big one, World Celebration, which would wrap up the 2002 show season.

At the Celebration, Unreal claimed the titles of Style Champion and the ultimate title of 2002 World Grand Champion. There are few horses who can claim this title but those who do are true Champion Racking Horses.
