

To all Racking Horse Breeders Association Members,

This statement is from the Personnel and Property Committee, as of right now we have taken the Racking Horse Breeders Association Facebook page down. We have deleted all members from the page. It is my plan that this weekend the Board of Directors will meet on this topic and it will be put to a vote by the Board as to the final actions involving the page. I encourage you to speak with your state's Board Member and let them know your thoughts and opinions so they can bring them to the table at our meeting. We will post results of said meeting on our website www.rackinghorse.com next week; to let you all know, what the final decision is.

Personnel and Property Chairman
