

We are happy to inform you, that our Board of Directors have voted to re-open our Facebook page, however we will have 2 separate pages.

The first page will be a Current Members only page, this page will allow current members to post and comment as well as the admin for the page. It will run very much like our previous Facebook page but the only people who will be able to access it will be current members.

The second page however will be open to the public and we will be posting pictures, videos, show information, and upcoming events. Also we will be posting information about the breed in general to help educate and promote our breed. This page will be available to anyone who would like to follow us.
