President Simmons: gives president's remarks

We have Mika Pharez on the line to explain some of our options for Facebook

Mika Pharez: we have a few options for our Facebook page, as you know the page right now has been taken down. Our first option is to do away with it. Our second option is reopening the page with a few changes. We can have a member's only page and regulate it, so only members will be allowed to view comment and participate on the page. If they let their membership end, we can remove them until they are brought up to date. This however will leave us with only one page, and no way to get any information to the general public. There is a way to create a page that no one can comment on, it will be available for us to post information about the shows and about the breed without allowing people to comment negatively.

Fred McRoy: Makes the a motion to create a members only page that is monitored each year and kept up to date, and to create an open page that is available to the public but can be controlled by our office.

Kelly France Seconds the motion
